Hey, I'm outside this restaurant now, shall we have lunch here?

I looked the place up, and I'm not really in the mood for sandwiches. How about this other place instead, just across the road? Check out this awesome photo of their food that I found on Google!

Kabinet | Edwin Today at 13:17

Actually, there's a Jamaican restaurant further down the road. They have vegetarian options, too. Shall we meet there?

MarkBosco Today at 13:23

Sounds good!

urmomgabe Today at 13:24

See you there for lunch
